

**SAMPLE LETER TO PARENTS School Re-Opens #6:
Use this letter to inform parents schools are re-opened.**

Dear Parents,

Three Rivers District Health Department, in collaboration with Nebraska Health and Human Services, have declared the pandemic flu is under control. Our school will open again on _____ . At this time, students may safely return to class.

Because school has been closed for (fill in here – weeks, months) academic status of students will be reviewed and announced in the near future.

Even though school is opening, there are still some people who are sick from the flu virus. And health officials say that pandemic flu outbreaks sometimes happen in waves. This means more people could become sick again soon. If more people get sick, schools may need to close again. We will continue to give you any important information.

Because the flu can still be spread from person-to-person, please keep children who are sick at home. Do not send them to school.

We are looking forward to seeing your children again.
